

CITY OF SPRINGFIELD
INTER-OFFICE MEMORANDUM

ATTENTION OF FILE

DATE October 4, 1984

DEPARTMENT _____

On Wednesday, October 3, 1984, I received a call on the pager at 11:00 p.m. that there had been a car wreck at 812 E. Walnut. When I arrived a fireman told me that there had been approximately 7 gallons in the fuel tank of the car that was hit. The car caught on fire, so it was doused with a large amount of water. The gasoline and water apparently did not enter the storm sewer and evaporated on the street.
